CATTINI & FIGLIO LAUNCHES ETHICS CODE

FOR IMMEDIATE RELEASE

CATTINI & FIGLIO is pleased to announce the approval by the Company's Board of Directors and consequent release of the Ethics Code that will govern all Corporate activities to the highest standards.

The Ethics Code is an important evidence of our Family's strategy towards a business which puts honesty, integrity and professionalism at the first place: nothing good can be done without these important virtues and everything can be built on these solid pillars reports Company's Ceo Lorenzo A. Cattini after Board's approval.

Though we have always complied to these principles, it is time to give shape to our commitment by means of a formal Ethics Code which will be distributed throughout our Company and, by means of our website, to all our Stakeholders, reiterates Lorenzo Cattini.

The Ethics Code will be systematically reviewed every three (3) years by the top management and then approved by the Board of Directors.
